

## **Solutions By Design II, LLC Recognized by the Washington Business Journal for its Diversity in the Workforce, Ranking #13 in the Midsize Business Category**

**Vienna, Va. – March 29, 2021** – The Washington Business Journal released its annual Corporate Diversity Index, ranking locally headquartered public and private companies based on percentage of total employees who are people of color. Solutions By Design (SBD) ranked #13 for midsize companies in the greater Washington, DC area. The Corporate Diversity Index recognizes companies for the diversity within their respective workforces.

“I am grateful for SBD to be named to the 2021 Corporate Diversity Index rankings by the Washington Business Journal,” said Cida Goldbach, Principal. “I want to continue spreading the message that it is our job as leaders to create and cultivate workplaces for growth, equity, and opportunity for people from all walks of life. As a Principal at SBD, I am proud to help set the example in creating a culture of inclusion that places a premium on the value of diversity.”

The Corporate Diversity Index’s 2021 rankings recognize companies that are leading the charge in hiring and investing in the career growth and advancement of people of color. SBD is recognized for truly embracing the diversity of its workforce and promoting the growth and well being of all of its employees.
